Portfolio: <https://scottokinawa.github.io/Scott.Vogel.Portfolio/>

Raised in Japan by Hispanic parents, and while attending an American school, I am no stranger to translating. I utilize my experience in translating to help explain complex data and business solutions!

SKILLS

SQL, Python, Statistics, Tableau, Building Dashboards, Excel, PowerPoint, Japanese (Fluent-Verbal) and Spanish (Conversational)

EXPERIENCE

Data Science Immersive Student | Washington D.C.

September 2017 – December 2017

General Assembly

- Learned applicable Data Science skills in an intensive 65hr/week program.
- Wrote a Convolutional Neural Network algorithm to differentiate human faces.
- Created a functional pipeline on how to increase user interaction for a D.C. analytics company.
- Honed in on my ability to visualize data on Tableau and communicate it well.
- Acquired, cleaned and analyzed large datasets using python packages such as Pandas and Scikit-Learn.

Associate Consultant | San Francisco, California

June 2016 – September 2017

Triage Consulting Group

- Researched around 40K row datasets to collect over 200K worth of underpayments every month.
- Created and worked on dashboards for internal teams.
- Utilized SQL, Excel and Microsoft Access to identify complex risk areas earning returns of 5K-400K.
- Created macro SQL queries to streamline data processes to cut 30 minutes off everyday tasks.
- Prepared 2-3 monthly financial reports to forecast progress and project profitability for management.

Consulting Internship | Reston, Virginia

May – August 2015

Maximus

- Spearheaded the Global Mobility Program, which consisted of managing 8 expatriates.
- Identified and evaluated global mobility providers to minimize vendor costs.
- Analyzed expatriate expense documentation to identify potential project savings of 600K.
- Collaborated with global mobility vendors to manage the expatriate projects.

Berkeley Cooperative House Manager | UC Berkeley

January 2014 – September 2016

Berkeley Student Cooperative

- Financed and regulated a 40K budget of a 56-person household.
- Fostered a better relationship with corporate, and served as their point person.
- Implemented new house policies that increased safer space, compared to previous semesters.
